Administration:

Fundraising:

- detailed budget sent to NINT
- big mail-out to corporations
- to date: raised ~\$6000
- Emera still waiting for SEA grant registration

Travel:

- email from Alberta Ingenuity
- Wayne will forward email tomorrow
- want us to send them a scanned copy of our passports, and fill out official Alberta Ingenuity form by August 15th

Half-baked Ideas:

- start at 9:30 at NINT
- please RSVP Wayne right away by email (by Monday)

aGEM:

- please RSVP Wayne by Monday

Modelling:

James:

- checked UNA fold thing
- measures energy as ~1 off
- got the front-end built
- once at a point where its okay, Wayne will move it to another server

Lab work:

- digesting a lot of K102011 and K102031 so that next week we can replace inserts (inputRNA signals and gates)
- 6-9 Monday and Tuesday Wayne will be in G308

Attendance:

Greg and Yang: no response via email and did not attend so they're off the team??

For next meeting:

Group photo

Bring a camera!!!

To consider: Meeting every week or once every two weeks once school starts??? We will have presentation/poster to do...
